Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322 and 1.323.

A petition under C.F.R. 1.182 is required to correct errors in spelling or order of inventors names or addresses, since inventor's names or addresses are printed solely in accordance with the typewritten names and address and in the order of the type- written names and address on the Declaration, and since the error was the result of applicant's failure to comply with the requirement that the complete and correct names and addresses in correct order be indicated on the Declaration of Oath, no correction is in order here under the provisions of Rules 1.323, unless a petition is granted.

In view of the foregoing, your request is hereby denied.

A certificate of correction will issue for the remaining error noted in your request.
